INVITATION TO PARTICIPATE

LETTER FROM THE PROGRAM CHAIR

On behalf of the American Society of Neuroimaging (ASN), I invite you to join us for the 39th Annual Meeting in Orlando, Florida. Our meeting provides a wonderful opportunity to promote your products to neurologists and other imaging professionals from all over the world.

FROM REQUISITION TO DECISION-MAKING

The ASN meeting is an exceptional venue as the only conference to focus on the clinical implementation of imaging from requisition to decision-making in real-time. The demands of current and future imaging modalities, post-processing and related clinical tools are central to this timely meeting.

SOCIETY PURPOSE

The American Society of Neuroimaging is an international professional organization of clinicians, technologists and research scientists who are dedicated to the advancement and advocacy of neuroimaging as a crucial to the treatment and investigation of disorders of the nervous system. The purpose of the ASN is to promote the integration of neuroimaging into the care of patients with neurological disorders through education, advocacy, accreditation, and research.

ANNUAL MEETING FOCUS AND ATTENDEE PROFILE

The Annual Meeting educational program focuses on the role of imaging modalities (MRI, Ultrasonography, CT, SPECT, PET) in diagnosing and treating a broad spectrum of neurological disorders. This year we expect to host 150-200 neurologists from both academia and private practice. The leadership of ASN truly recognizes and values our relationship with industry supporters. Our meeting environment is designed to be intimate and accommodating to personal interaction between attendees, faculty, and sponsors. Program breaks, select meals, and a Stand-By Poster Reception are all scheduled to take place in the Exhibit Area, which is in close proximity to the General Sessions. We are committed to assisting you in any way, within our guidelines, to enhance your visibility and connections with our attendees. We are pleased to offer you this opportunity to showcase your products to the best and brightest in the field of neuroimaging and look forward to including you as a partner in the 2016 ASN Annual Meeting.

I look forward to seeing you in Florida very soon! Please feel free to inquire via email with any questions.

Sincerely,

David Liebeskind, MD, FAHA, FAAN

EXHIBITOR TIPS

GET THE MOST OUT OF YOUR TRADESHOW

ESTABLISH YOUR GOALS

What do you want to get out of the ASN Annual Meeting? How many attendees do you want to stop at your booth? How many leads do you hope to generate? Determine what your ROI is and focus on getting that. If ASN can assist you in doing so, let us know!

ADVERTISE IN ADVANCE

Put the word out to your clients, customers, suppliers, and contacts about where you'll be. ASN will do everything we can to promote the Annual Meeting — we invite you to join us in doing so. Promotional emails and slides are available for download on our website.

ENGAGE IN SOCIAL MEDIA

Connect with ASN on Facebook. We're happy to work with you to get the word out that you'll be joining us at the Annual Meeting. Remember to let your followers know where you'll be and how they can register for the meeting.

USE AN INTERACTIVE DISPLAY

The best way to draw a crowd to your booth is to interact with them. Games, quizzes, contests, prizes, or scheduled demonstrations give people that extra reason to visit your booth.

ACTIVELY ENGAGE ATTENDEES

Don't wait for people to address you. ASN is a friendly crowd and willing to be engaged! Be outgoing, chat with visitors, and find out what aspect of your business they're most interested in. Be prepared to offer specific answers to their questions.

GET OUT FROM BEHIND YOUR BOOTH

Exhibitors often sit behind their tables while attendees stand, looking down at them. Get up, make eye contact, and engage! Remember to stay off your phone. There will be time after exhibit hours to follow up on voicemail and email.

ALWAYS BE PREPARED

Make sure your booth is staffed at all times, by a knowledgeable person. Many companies will send their "rookies" to tradeshows. Sending new staff people is not always the wisest decision, however, as they may not have all the answers about your products or services. If you do send a new staff member, make sure an experienced person is there as well, so newer staff can watch and learn.

FOLLOW UP

ASN members are busy. Follow up with contacts and leads as soon as possible. The quicker you follow up, the more your business will stand out from the rest!
