

# Are you eligible for the Neurosonology (RPNI) Examination?

Foreign Medical Graduates/  
Foreign Practicing Physicians

OR

US Practicing Physicians

If you are non-US based practicing physician, you **DO NOT** need to be ABMS BC/BE

You **NEED** to be Board Certified or eligible for Boards in an ABMS or AOA recognized specialty

**ALL** candidates **MUST** meet **1** of the following categories:

40 CME AMA Category 1 Credits in ultrasound obtained within the last 3 years

OR

A full-time fellowship within the last 3 years  
or  
Fellowships > 3 years ago must provide proof of 15 CME credits earned in the last 3 years

**AND** provide signed verification of performance

**Sorry...**  
You are not eligible for the RPNI Examination. Visit [www.asnweb.org](http://www.asnweb.org) for CME and fellowship options.

No

Interpretation of at least 100 studies under supervision for each component to be tested (e.g. TCD and Carotid)

Yes

**Congrats!**  
You are eligible for the RPNI Examination! Follow the registration steps on [www.asnweb.org](http://www.asnweb.org).
